

SIPPIO empowers Carriers and MSPs to take advantage of the growing trend to voice enable collaboration. Leverage Microsoft and Zoom enterprise phone capabilities alongside of chat, meetings, events and video.

Quickly onboard and enable your sales teams with a value-based solution that's easy to understand and articulate leading to deal velocity and increased forecast accuracy.

WATCH YOUR VOICE PRACTICE

Grow

Simple, Single SKU Offer
Add Managed Services and Apps
Compelling Value Prop
Short Sales Cycles

DRIVE YOUR BUSINESS TO

Accelerate

Increase MRR and CLTV
Earn 40% Margins
Secure Topline Revenue
Predictable & Sustainable

SIPPIO amplifies the opportunity for partners to build a healthy voice practice with predictable and sustainable monthly recurring revenue.

Earn clean margins and offer customers valued-added services or 3rd apps to create new lines of business. Monthly recurring revenue begins immediately and creates predictability to sustain long-term revenue objectives.

SIPPIO enables businesses to realize more value from Microsoft Teams and Zoom investments by increasing the ROI through adoption and simplification.

Customers become more productive and gain agility for the future. Satisfaction leads to positive net promoter scores (NPS), long term retention and increases customer lifetime value (CLTV).

HELP YOUR CUSTOMERS

Amplify

Collaboration Value and ROI
Increase User Satisfaction
Gain Productivity
Become Agile for Future

RELIABLE & STABLE HELPS

Simplify

Reduce Cost and Complexity
Lower Support Overhead
Set It & Forget It
Refocus Resources

SIPPIO will help reduce and simplify support overhead with a stable, secure and reliable platform to create high touch experiences with low touch support. The global solution is elastic and non-blocking.

Complete automation and API-led apps will migrate users with ease from legacy telephony, support hybrid integration and convert trials into paying customers.
